Mondays

 Saturdays

Stalls are not provided on ASG. Traders will be allocated a 6ft frontage for their stall. Therefore frames over 6ft wide will not be permitted onto the market without prior permission. Please see ASG Terms & Conditions for further information. Traders applying for additional stalls on the General and Sunday markets will only be allowed to use a maximum of 3 stalls per day. Please select number of stalls required. **(Size of stall approx. 8ft x 6ft)**

The CCMM&ST team only consider what has been submitted by a trader on their application form. Please note that owing to the volume of applications received, traders should not direct the team to find out more about their business at a web address, by a telephone conversation or a face to face meeting. Applicants should not send samples.

The best applications that the team receives are from traders than can demonstrate their knowledge of their business, the provenance of their products, articulate their advertising strategy, relate their unique selling point, identify gimmicks that they will employ (that could include branded carrier bags, staff uniform and so on), and any other information that makes their application suggest that they will be a great addition to the retail offer in our markets. We welcome business plans, social media analytics, photographs, testimonials providing as much detail as appropriate. Please continue on another page if necessary.
