Junction Funding Agreement

Decision of:	Councillor J Smith, Executive Councillor for Arts and Recreation	
Reference:	06/CS/56	
Date of decision:	16 November 2006	Recorded on: 23 November 2006
Decision Type:	Non-Key Decision.	
Matter for Decision:	The five-year agreement of annual funding for The Junction. The annual funding of the organisation is now £97,400	
Why the decision had to be made (and any alternative options):	The agreement expires in March 2007	
The Executive Councillor's decision(s):	The Executive Councillor is recommended to agree continuation of funding at not less than current levels, ie cash standstill, and to consider the exact level of funding in the next committee cycle subject to receipt of further information from the Junction including the outcome of its current business plan review process. It is recommended that the level of funding be subject to review if there is a substantial shift in the nature or scope of the Junction's activities or programme during that time.	
Reasons for the decision:	These are described in the report.	
Scrutiny consideration:	None	
Report:	Agenda B (A&R) Item 2 of the Community Services Scrutiny Committee on 16 November 2006	
Conflicts of interest:	No conflicts of interest were declared.

Improved Air Handling At The Corn Exchange

Decision of:	Councillor J Smith, Executive Councillor for Arts and Recreation		
Reference:	06/CS/57		
Date of decision:	16 November 2006	Recorded on:	23 November 2006
Decision Type:	Non-Key Decision.		
Matter for Decision:	To make the capital investment necessary to improve the air circulation at the Corn Exchange. This will provide better services that deliver high quality services in a fair and equal way to all sections of the community.		
Why the decision had to be made (and any alternative options):	The current system circulates air from Corn Exchange Street around the building without any means of cooling it during hot weather. This has become a particular problem as more shows are now staged in the summer. Additionally expectations have increased regarding customer comfort.		
The Executive Councillor's decision(s):	To approve capital spending of £60,000 and projected revenue of £800 per annum on improving the air circulation in the Corn Exchange as outlined in the project appraisal attached at Appendix		
Reasons for the decision:	As above		
Scrutiny consideration:	None		
Report:	Agenda B (A&R) Item 3 of the Community Services Scrutiny Committee on 16 November 2006		
Conflicts of interest:	No conflicts of interest were declared.

Project Appraisal: Histon Road Recreation Ground

Decision of:	Councillor J Smith, Executive Councillor for Arts and Recreation		
Reference:	06/CS/58		
Date of decision:	16 November 2006	Recorded on:	23 November 2006
Decision Type:	Non-Key Decision.		
Matter for Decision:	To approve the project appraisal and proceed with the project.		
Why the decision had to be made (and any alternative options):	Histon Road Recreation Ground is a valued and important recreation facility in the Castle Ward. The nearest similar facilities are at St Albans Recreation Ground. It provides play opportunities for children from pre school age to approximately 14/15 years. This project will provide renewed facilities on the same site		
The Executive Councillor's decision(s):	To approve the Project Appraisal and authorise the Head of Active Communities to proceed with the project setout in the appraisal.		
Reasons for the decision:	As set out in the Appraisal		
Scrutiny consideration:	None		
Report:	Agenda B (A&R) Item 4 of the Community Services Scrutiny Committee on 16 November 2006		
Conflicts of interest:	No conflicts of interest were declared.
