Public representations on a planning application should be made in writing (by e-mail or letter, in both cases stating your full postal address), within the deadline set for comments on that application. You are therefore strongly urged to submit your representations within this deadline.

The submission of late information after the officer's report has been published is to be avoided.

A written representation submitted to the Environment and Planning Department by a member of the public after publication of the officer's report will only be considered if it is from someone who has already made written representations in time for inclusion within the officer's report. Any public representation received by the Department after 12 noon two business days before the relevant Committee meeting (e.g by 12.00 noon on Monday before a Wednesday meeting; by 12.00 noon on Tuesday before a Thursday meeting) will not be considered.

The same deadline will also apply to the receipt by the Department of additional information submitted by an applicant or an agent in connection with the relevant item on the Committee agenda (including letters, e-mails, reports, drawings and all other visual material), unless specifically requested by planning officers to help decision making.

At the meeting public speakers at Committee will not be allowed to circulate any additional written information to their speaking notes or any other drawings or other visual material in support of their case that has not been verified by officers and that is not already on public file.

Public speaking rules relating to planning applications:

Anyone wishing to speak about one of these applications, may do so provided that they have made a representation in writing within the consultation period and have notified the Area Committee Manager shown at the top of the agenda **by 12 Noon on the day before the meeting** of the Area Committee
