Meetings of the Development Control Forum

Meetings of the Development Control Forum are scheduled for a week after the meetings of Planning Committee as shown above, if required.

Public attendance at Meetings

You are welcome to attend meetings as an observer, although it may be necessary to ask you to leave the room during the discussion of matters, which are described as confidential on the agenda.

Filming, photography and recording is not permitted at council meetings. Any request to do so must be put to the committee manager at least 24 hours before the start time of the relevant meeting.

Public Speaking

Members of the public who want to speak about an application on the agenda for this meeting may do so, if they have submitted a written representation within the consultation period relating to the application and notified the Committee Manager that they wish to speak by **12.00 noon on the day before** the meeting.

Public speakers will not be allowed to circulate any additional written information to their speaking notes or any other drawings or other visual material in support of their case that has not been verified by officers and that is not already on public file.

Representations on Planning Applications

Public representations on a planning application should be made in writing (by e-mail or letter, in both cases stating your full postal address), within the deadline set for comments on that application. You are therefore strongly urged to submit your representations within this deadline.

The submission of late information after the officer's report has been published is to be avoided.

A written representation submitted to the Environment and Planning Department by a member of the public after publication of the officer's report will only be considered if it is from someone who has already made written representations in time for inclusion within the officer's report. Any public representation received by the Department after 12 noon two business days before the relevant Committee meeting (e.g by 12.00 noon on Monday before a Wednesday meeting; by 12.00 noon on Tuesday before a Thursday meeting) will not be considered.

The same deadline will also apply to the receipt by the Department of additional information submitted by an applicant or an agent in connection with the relevant item on the Committee agenda (including letters, e-mails, reports, drawings and all other visual material), unless specifically requested by planning officers to help decision making.

Emergency Evacuation

In the event of a fire or other emergency you will hear a continuous ringing alarm. You should leave the building by the nearest exit and proceed to the assembly point in St Mary's Passage on the left hand side of Great St Mary's churchyard.

Do not attempt to use the lifts.

Do not attempt to re enter the building until given the all clear by a member of the City Council staff. City Council staff will provide assistance with leaving the building.
