The Head of Environmental Health & Waste Strategy presented a report which described an application received from Darker Enterprises Ltd. for the renewal of a Sex Establishment Licence for The Private Shop, 38 Chesterton Road.

The applicant, Mr Darker, attended the meeting along with his legal advisor, Mr Sullivan. The Committee noted that no objections had been received. Mr Sullivan stated that there was nothing to add to the officer's report, except that regulating the establishment and its appearance had obviously been successful because no objections to the renewal had been received.

The Committee noted under its Scheme of Delegation that the renewal next (and future) year(s) will be agreed by the Head of Environmental Health & Waste Strategy if no objections to the renewal application were received.

Resolved –

That the licence be renewed subject to the existing licensing conditions.

The meeting ended at 10.04am.
