(CCC) XR Action at Alex Wood Hall

[XR Action at Alex Wood Hall I would like to request under the Freedom of Information act internal emails sent or received by councillors detailing the response by the council to the painting of Alex Wood Hall by Extinction Rebellion activists. I am especially, although not exclusively, interested in correspondence that includes reference to the Climate and Ecological Emergency (CEE) Bill. Please let me know if this request needs narrowing down or changing to protect councillor's privacy.]

Response:

The City Council holds very little information regarding this incident.

Correspondence between the members of the Labour group (party political correspondence) does not come under FOI as the e-mails would not relate to the functions of the Council.

I can confirm there has been communication between Cllr Mike Sargeant and the officers within our Street Cleaning team. I can also confirm a site visit has taken place with Cllr Sargeant to see the extent of the paint spillage and to provide a quote to remove the paint from the building and footway. This quote has been accepted and officers are looking to carry out the work in week commencing 14th June 2021.

Further queries on this matter should be directed to foi@cambridge.gov.uk
