(CCC) Housing

Please could you provide details of current housing provisions that you have for young people in your borough/area? This would include any social housing / supported housing / lodging schemes / night stop / private rented housing / Foyers / Hostels for the age range 10 – 25 2. Please could you provide a list of current contracts you commission relating to services for young people offering housing related support? Ideally name of provider, length of contract and contract amount.

Response:

Thank you for your request for information above, which we have dealt with under the terms of the Freedom of Information Act 2000.

I attach a document which lists the young people (age 16 - 25) housing support provision in the area of Cambridge City.

Cambridge City Council do not commission housing related support services for young people. Cambridgeshire County Council will commission services in this area and also provide support for under 16s. Further information about this can be found on the Children and Families section of the county website: [Housing and independent living - Cambridgeshire County Council](#)

Further queries on this matter should be directed to foi@cambridge.gov.uk
