(CCC) Grafton East Car Park

Are all car park pay machines at Grafton East car park covered by cctv? If not all, which one's are/ aren't? Is this cctv linked via ANPR? How long is cctv retained/ accessible for?

Are voice interactions with car park attendants from all car park help points at Grafton East car park recorded and retained? Can these be recordings be switched off by the attendant at the time or deleted afterwards?

How many times were the voice help points used by service users on 31/05/2021?

Can you provide a copy of transaction data logs (obviously minus any personal details contained therein) for all pay machines on the 4th floor at Grafton East car park on 31/05/2021 between 15.15 hrs and 17.30 hrs, with machine identifier/location information and data for how many transactions could not be processed (including fault/ reasons codes) on this date.

How many faults have been recorded on all pay machines on the 4th floor at Grafton East car park, including nature of the faults and service/ repair data/ dates between 01/01/2021 and 01/06/2021?

Response

All information provided inc spreadsheet of system events. Exception is details of length of time CCTV retained, for this customer has been referred to Hunts DC

Further queries on this matter should be directed to foi@cambridge.gov.uk
