(CCC) Microsoft 365 Teams Guest Access Policy

I would be grateful if you can provide me with a copy of your "Policy" or specific "Guidance Notes" held in relation to:

Guest Access for Microsoft 365 Teams (I am mainly interested in any policy you hold specifically for Microsoft Teams, however if you only hold this generally for M365 then that is fine).

This information would normally be held within your Information Governance Team or Information Management Team or in IT Services.

If you can provide me with a copy of your " M365 Teams Guest Access Policy" or a "Guidance Note" that you hold and use specific for officer awareness this would be much appreciated.

Response

There is no guest access to Microsoft 365 Teams permitted.
