### **(CCC) Planning Applications**

I would like a copy of the last three successful applications to you for the reinstatement of Permitted Development rights to a green belt property [ideally a barn conversion].

Alternatively if it is possible to extract these myself from the planning portal then I am happy to do so if you could tell me how

#### **Response:**

The planning department have advised that they are not aware of an application that meets the requirements you have stated.

Removal of permitted development rights would be done via a planning condition. To remove (and reinstate the rights) you would need a S73 application. Any detail of conditions will be within the planning application itself. Planning applications can be searched via the planning portal which is available to you here: [View and comment on planning applications \(greatercambridgeplanning.org\)](https://www.greatercambridgeplanning.org)
