### **(CCC) Flats of Sackville Close Cambridge**

A copy of the document listing a breakdown of total costs as invoiced to Cambridge City Council by the relevant Contractor for the total work done on the flats of Sackville Close Cambridge in 2020 and 2021. This refers to the major works project (contracted out as a single project) as was previously done with regard to Aragon Close, Woburn Close, Albermarle Way. This does not refer to day to day works as carried out by City Council Repairs etc.

### **Response**

We ascertain the Council does not hold the information you seek. The work is not yet fully complete and we do not have a final account and the total costs from our contractor. We would expect to have this information by February 2022 at the latest.
