(CCC) Tenancy agreements

Details of any provisions in your tenancy agreements relating to social media use by tenants and residents.

Response

We do not restrict our tenants' use of social media. Whilst our Tenancy Agreement does not explicitly refer to social media, if our tenants used social media in anyway that was unlawful or caused a nuisance to their neighbours or us as a landlord, it could be a breach of their tenancy agreement however. I have linked to the Cambridge City Council Tenancy Agreement which can be found on our website: Tenancy agreement - Cambridge City Council.
