Response

Some information you have requested is held.

Please find attached the last completed 3 years of tonnages for waste disposal of a mixed dry recycling. These figures are from the Greater Cambridge Waste Services that covers Cambridge City and South Cambridgeshire.

However we are unable provide cost for disposal as this is held by Cambridgeshire County Council as the waste disposal authority.

We are not able to release cost of processing recycling as this is contractually sensitive information under the section 43 exemption.

Further queries on this matter should be directed to foi@cambridge.gov.uk
