### **(CCC) Houses**

Ideally if you could put this information in an excel spreadsheet and include the following information that would be great

1, house number

2, street name

3, area

4 postcode

5, if it is a house or flat (that way if I am out and about, I can easily identify the properties that I do not want to market)

### **Response:**

This information is already reasonably accessible to you. Under section 21 Freedom of Information Act 2000 (FOI) there is no right of access via the FOI Act if this is the case.

The information is available here The Land Registry website [HM Land Registry Online | Land Registry Search | Quick & Easy](#)

There are also housing stats here: [Local authority housing data - GOV.UK \(www.gov.uk\)](#)
