Hi [Redacted],

Happy to provide a full response. However in short we receive a complaint from a nearby resident every year about operating hours and maximum number of persons it uses. He constantly feels they are breaching conditions by having double the amount of people there during Ramadan for example by having back to back 'services' rather than just one service a night of say 25 persons max. Name is [REDACTED] and he is very fair in his representations but persistent.

[REDACTED] used to deal with his reps every year when giving temp permission for Ramadan extended hours.

Has he contacted you and when is the deadline for committee ?

Hi,

I hope you are well. I am preparing a committee report for an extension and increase to the opening hours of this facility app (ref. 19/1453/FUL) and noting the various objections, I was wondering if we'd received any complaints to Enforcement about its operation? I'd be interested in anything over the last 5 years or so.

The most recent one I can see in the system is EN/01005/20 which was about permitted temporary Ramadan opening hours, but I can't see anything else there, unless I've missed it.

If there have been any more Enforcement cases at the site, records/references for me to look up would be most appreciated.

Many thanks

Kind regards,

My working days are Monday - Thursday
