(CCC) Major planning applications in Cambridge

I am seeking data on "major" planning applications made within the period March 31, 2018 to March 31, 2020 (inclusive), and subsequent appeals to December 31, 2020 (inclusive).

- How many "major" planning applications did Cambridge City Council determine or fail to determine between March 31, 2018 and March 31, 2020?
- How many of those applications were taken to appeal?
- How many of those applications taken to appeal were overturned by the government's Planning Inspectorate before January 1, 2021?
