(CCC) Spend on food and drink

Please provide me with information on any spending by the council on refreshments for council meetings in the past financial year, 2021-22:

- Please include total spending as well as a breakdown of what was purchased, for example tea, coffee, biscuits, sandwiches, takeaways

- Please include this for all council meetings held over the last financial year

If it is not possible to provide the information requested due to the information exceeding the cost of compliance limits identified in Section 12, please provide advice and assistance, under the Section 16 obligations of the Act, as to how I can refine my request.

Response

During the 2021-22 financial there was no spend on refreshments for council meetings. Due to Covid-19, councillors and officers were asked to bring their own food and drink.

We aim to provide a high-quality service to you and hope that you are satisfied with this response. If you have any further questions, please do not hesitate to contact us.
