I want a list of limited companies paying council tax in an excel document

- 1): the name of the business?
- 2): the person who pays for this?
- 3): the address of the business paying the council tax?
- 4): the amount of council tax do they pay?

thanks and I just need 4 columns of info and non-further columns of lists of data

Response

The information is already publicly available (see "NNDR Accounts" here: Open data: Transparency in local government - Cambridge City Council).

Although this is published, we have stripped that data back to the three columns specified and filtering out all accounts with a liability below £2,000.

We aim to provide a high-quality service to you and hope that you are satisfied with this response. If you have any further questions, please do not hesitate to contact us.
