(CCC) Planning permission rejections due to protected species in England

- How many planning permission requests were received last year?
- How many planning permission requests were rejected last year?
- How many planning permission requests were rejected due to protected species?
- Of these, how many were rejected due to: badgers, bats, birds, dormice, newts, invertebrates, natterjack toads, otters, reptiles, water voles, white-clawed crayfish, or other?

Response:

Thank you for your request for information above, which we have dealt with under the terms of the Freedom of Information Act 2000.

I hope the attached information will answer your query.

We aim to provide a high-quality service to you and hope that you are satisfied with this response. If you have any further questions, please do not hesitate to contact us.

Further queries on this matter should be directed to foi@cambridge.gov.uk
