(CCC) CARF

The Government has put in place a COVID-19 additional relief fund (CARF) under which businesses may be able to receive rates relief for the 2021/22 rate year if both of the following apply:

- The business has been affected by coronavirus (COVID-19)
- The business was not eligible for retail discount, nurseries discount or the Airport and Ground Operations Support Scheme (AGOSS)

Please provide the following:

- 1) The number of hereditaments for which CARF relief has been provided to date by your authority
- 2) The value of the CARF relief provided

Response

Due to the relatively low application rate our CARF scheme application deadline has been extended to enable as many businesses as possible to apply. Once the scheme closes, we will be able to assess applications and make awards, this is likely to happen in July and into early August.

We aim to provide a high-quality service to you and hope that you are satisfied with this response. If you have any further questions, please do not hesitate to contact us.
