(CCC) Off Street Parking

• The total number of public on-street parking spaces in your local area, if possible, broken down by:
o Residential-only (at all times)
o Time restricted residential spaces
o Public short stay
o Public long stay
o Blue badge/accessible
o Charging stations
• The total number of off-street parking spaces in your local area, broken down by
o Public short stay
o Public long stay
o Blue Badge spaces
o EV charging stations
• The total number of free public parking spaces/locations in your local area
• The total number of paid public parking spaces/locations in your local area
• The cheapest and most expensive parking location in your area, based on hourly rate
• The total number of fines issued to drivers for misusing parking spaces for the years 2019, 2020, 2021 and 2022 to date.
• And if possible - please can you let us know if the cheapest and most expensive locations have increased in price over the past 12 months, and if so by how much?

Response

• The total number of publics on-street parking spaces in your local area, if possible, broken down by:
o Residential-only (at all times)
