(CCC) Electric vehicle charging points

How many Electric Vehicle (EV) charging points do you currently have across the town/city?

Response

Cambridge City Council has 4 electric charging points for members of the public located within two of its car parks.

In addition Cambridge City Council has installed 15 charging points for use by licensed taxis only.

We aim to provide a high-quality service to you and hope that you are satisfied with this response. If you have any further questions, please do not hesitate to contact us.
