### **Response**

A list of our arboricultural service providers can be found on our website here: [Our tree-work partners - Cambridge City Council](#).

Our arboricultural service providers are responsible for organising traffic management.

Grass cutting and shrub maintenance are undertaken in-house by our Operations Team in Environmental Services.

We aim to provide a high-quality service to you and hope that you are satisfied with this response. If you have any further questions, please do not hesitate to contact us.
