(CCC) Action on Energy Website and Marketing Collateral" Project.

I am writing to request information under the Freedom of Information Act 2000, regarding the recent tender process for the "Cambridge City Council - Action on Energy Website and Marketing Collateral" Project.

I would like to request the following information:
What are the minimum requirements that Sweans Technologies Ltd did not meet in the tender process, as stated in the outcome letter. The marks obtained by Sweans Technologies Ltd in the evaluation process and the score of the winning company.

The number of companies that participated in the process and a full rank list of companies, including the names of the companies and their marks.

The winning companies proposal, with all confidential data removed.

The quoted price of the winning company.

I would be grateful if you could provide this information to me as soon as possible, and in any event within 20 working days as required by the Freedom of Information Act 2000.

If any of the requested information is withheld or if you are unable to provide the information within the 20 working day time frame, please provide reasons for the delay or exemption under the Act.

Response

The supplier returns were incredibly high for this project. Consequently, the panel reviewed the parameters for costs and decided anything outside an agreed amount would be asked clarification questions. However, those clarifications did not change the cost parameters which remained at £18,000 - £25,000 and all suppliers who fell outside this span were considered not to be viable. Sweans was not scored as they failed to meet minimum requirements. Successful Bidders - Bristol Design, Bristol City Council - 81.23
