(CCC) Spend on catering

Under the FOI Act, I would like to ask how much money the council has spent on food/ catering for council meetings, by month, from November 2021 to January 2023. Please would you be so kind as to provide the monthly sum spent, by order of month and year.

Could you please confirm that food/ catering at council meetings between June 2022 to January 2023, where they have taken place, have been either vegan/ plant-based or vegetarian in accordance with the motion submitted by Councillor Hannah Copley on May 26th 2022.

Response

'Council meetings' has been taken to mean meetings held between Council employees and/or Councillors. As such, there is no record of catered Council meetings in the period November 2021 to January 2023. The majority of Council meetings have been held remotely via Teams, and occasionally Zoom.

If your query has been misinterpreted, please feel free to raise a new FOI providing more specific criteria.
