(CCC) Focus Group

I would love to know if your council has a Focus Group (or similar) locally that I could engage.

I run a dog friendly holiday letting agency in Norfolk, with cottages in the Peak District and Scotland and I would be keen to be able to offer council staff dog friendly holiday let opportunities in different areas

Could you please provide me with, if necessary, under FOI Act, the following information?

1. Do you have a staff focus group or similar group dealing with staff issues / engagement / communication?
2. If so, could you please provide me with an email contact for the group, and where possible, a named contact?
3. Would it be possible to provide me with an HR contact email address?

Response

We do not have a focus group; however, we do have an internal internet which we use to communicate items with staff. the HR contact is linda.lander@cambridge.gov.uk who will be able to assist you.

Further queries on this matter should be directed to foi@cambridge.gov.uk
