(CCC) Anti-Social Behaviour

I would like all complaints and reports of infringements made with reference to Hobson's Park in Trumpington, on all matters that are not dog related, between 2012 and June 2023 (or the earliest and latest dates possible) please. Please include anything related to anti-social behaviour, with specific regard to the use of motorised vehicles (including those illegally adapted), fires started, fishing in the pond, breaches of the bird reserve boundary. Where possible please include the dates, times and details of each report. I would like the above information before the next Environment and Community Scrutiny Committee meeting on June 29th please. I appreciate that is in the near future, and if you're able to supply the information before then it would be very gratefully received.
