To Representors to the Submission Cambridge City Local Plan and the Submission South Cambridgeshire Local Plan who made representations relating to the full objectively-assessed need for housing in the Local Plans

Dear Sir/Madam

Independent Examinations – Cambridge City Local Plan and South Cambridgeshire Local Plan

The DCLG 2012-based household projections were published in late February 2015, see <https://www.gov.uk/government/statistics/2012-based-household-projections-in-england-2012-to-2037> .

Further to the Inspectors' letter to the Councils of 20 May 2015 (web links below), I am seeking the views of those who made representations, when the submission Plans were published in 2013, relating to the full objectively-assessed need for housing in the Local Plans. The Inspectors are inviting comments on the following issues:

1. Do the 2012-based projections suggest a different level of need; and if so
2. How big is the difference; and
3. Does it indicate that modifications should be made to the Plans?

(The Inspectors' letter of 20 May 2015 is reference document RD/Gen/170 which can be viewed via the following webpage links <https://www.scambs.gov.uk/examination-correspondence-with-inspector> or <https://www.cambridge.gov.uk/local-plan-review-post-submission-correspondence-with-the-inspector>)

Comments submitted must be limited to a maximum of 3000 words, and be labelled on the first page with the representor name, representor reference number and the representation number(s) which relates to this issue. Agents replying on behalf of clients should also include their name and contact details.

Responses as detailed above must be received by me in paper copy to the address below before noon on Friday 20th November 2015. **Late submissions will not be accepted.** Please also provide an electronic version of your response before the same deadline.

Please do not hesitate to contact me if you have any queries.

Yours faithfully

Gloria Alexander
