

Mitcham's Corner Development Framework SPD

Cambridge City Council have produced a draft Development Framework Supplementary Planning Document (SPD) for the Mitcham's Corner Area in consultation with the local community, local councillors and other stakeholders.

The document outlines the aspirations for the area and for specific large sites, as well as the key issues, constraints and opportunities that will influence how future changes to the street network and new development will take place.

Public consultation on the draft Development Framework (SPD) will run from:

9am Monday 5th September 2016 to 5pm
Monday 17th October 2016

Two staffed exhibitions will take place between 3pm and 8pm on the 14th September and 5th October 2016 at The Cambridge Victoria Homes Pavilion, Victoria Road, CB4 3DX (see map overleaf)
