Dear Consultee,

Community Infrastructure Levy Draft Charging Schedule – notice of consultation

Cambridge City Council is in the process of preparing a Community Infrastructure Levy (CIL) Charging Schedule. CIL is a new charge that local authorities can levy on all new development in their area to fund infrastructure improvements related to new development. The levy will be used to fund infrastructure to support growth.

A Draft Charging Schedule has been developed which sets out the proposed charging rates for Cambridge. The Council considers that the Draft Charging Schedule strikes an appropriate balance between contributing to funding infrastructure and not putting development across Cambridge at risk.

In accordance with Regulation 16 of the CIL Regulations (as amended), comments are invited on the Draft Charging Schedule, and its associated evidence base documents, during the consultation period starting 28th October 2013 and ending 9th December 2013 at midnight.

A copy of the Draft Charging Schedule and supporting documents can be found at the following address - https://www.cambridge.gov.uk/community-infrastructure-levy .
