Asbestos Consultancy Services/Hospital Ventilations

1. Does your trust have a contract or framework agreements in place with external providers for either or both of these services?
2. If so, when are the contracts due for renewal?
3. Who are your current contractors/providers?
4. What is the annual value of the contracts?

1. Yes we do have a contract framework for provision of the services you identified with an external company.

2. Contract has expired and is currently on a month by month rollover pending introduction of a new asbestos register. The original contract was tendered via the North West Collaborative (NHS) to our specifications. Once the register is in place we will be enter into the Local Government Shared Services (LGSS) framework which is currently due to expire in 2020.

3. Redhills

4. No upper end defined but current contract totals <30,000k.
