UNSUCCESSFUL NOMINATIONS					
Case Reference:	Title/Function of Property	Address:	Nominating Community Interest Group	Date of Decision	Reason Nomination Unsuccessful

2015-200004202588	The Red Cow	The Red Cow, Corn Exchange Street, Cambridge, CB2 3QF	Cambridge & District branch CAMRA (Campaign for Real Ale)	23/06/2015	The Panel considered that the property met the criteria for listing in part (in that it had made a contribution to community value at times in the recent past) but overall did not consider that it was realistic to think that the property would be used for the purposes of furthering the social well-being or interests of the local community within the next 5 years. The overall judgement was that the nomination did not meet the criteria for listing.
2015-010002569152	The Hope and Nursing Care Home	The Hope and Nursing Care Home, 17 Almoners Avenue, Cambridge, CB2 8BQ	Keep the Hope	10/07/2015	Schedule 1 of the Assets of Community Value (England) Regulations 2012 lists categories of land that are not of community value (and therefore may not be listed). This includes a residence together with land connected to that residence. Land that is only partly used as a residence can be listed if, but for the residential use of the building, the land would be eligible for listing. However, the Panel considered that the main use of the land was as a residential nursing and care home and convent and that the events attended by the local community that were described in the application were ancillary to the use of the land as a residence. The land was not therefore eligible for listing. The nomination as currently made cannot proceed.
2015-200004162168	The Castle Inn	The Castle Inn Castle Street Cambridge CB3 0JH	CAMRA	25/01/2016	The Panel considered that to the extent that the use of the Castle Inn furthered the social well-being or social interests of the local community, this was ancillary to the main use. There was insufficient evidence provided of use by the community to demonstrate otherwise. The overall judgement was that the nomination did not meet the criteria for listing
2015-200004202561	The Hopbine	The Hopbine, 11-12 Fair Street Cambridge CB1 1HA	CAMRA	23/02/2016	The Panel considered that to the extent that the use of the Castle Inn furthered the social well-being or social interests of the local community, this was ancillary to the main use. There was insufficient evidence provided of use by the community to demonstrate otherwise. The overall judgement was that the nomination did not meet the criteria for listing

2016-200004202577	The Little Gym Cambridge	Units 1-3 Chesterton Mill, Frenchs Road, Cambridge, CB4 3NP	Friends of The Little Gym Cambridge	20/01/2017	The Panel considered that the property does not meet the definition of 'land of community value' contained within section 88, Localism Act, 2011, nor is it likely to within the next 5 years. Although the property in part improves the social well-being and interests of the gym community, this was ancillary to the main use. There was insufficient evidence provided of frequent and wider use by the general local community to demonstrate otherwise.
