MINERAL AND WASTE SAFEGUARDING

Please remember to check for any changes on our online policies map: https://www.cambridge.gov.uk/development-plan-for-cambridge

As paper versions of the policies map cannot be continually updated and in particular after you received this copy

Map updates: The policies map will be kept up to date as new development plan documents covering the plan area

Cambridgeshire and Peterborough Minerals and Waste Local Development Framework 2011, Core Strategy and Proposals Map C 2011, Cambridge East Area Action Plan (excluding CE/3 and CE/35) (February 2008); and

Cambridge Local Plan 2018 (October 2018)

At October 2018 the adopted development plan for Cambridge comprises:

- The Adopted Policies Map has been prepared to illustrate geographically the application of the policies within the Cambridge Development Plan, and has been updated to reflect the Local Plan adopted in October 2018.
- It includes a key to explain the symbols and notations which it uses.
