Subject: RE: Greater Cambridge Housing Trajectory - South of 279 St Neots Road, Hardwick (SC61)

The quick answer to your enquiry is that my client is very keen to start the development. We have already submitted a reserved matters application but this was withdrawn to overcome planning objections. We are currently trying to address these so that the application can be re-submitted.

In an ideal world I think my client would still like to start on site this year if possible but a lot will depend on how we get on through planning.
