

**Number of Council properties unoccupied per year since 2010**

**Per year, please can you supply the number of Council owned or managed residential properties that were unoccupied for a period of at least 3 months from 2014 to the present?**

Further, can you break down as much as possible how long each property remained unoccupied for?

<b>Year Let</b>	<b>Voids over 3 Months</b>	<b>Average</b>
2014	56	636
2015	26	342
2016	37	254
2017	55	201
2018	80	388
2019	98	392
2020	3	125
<b>Sum:</b>	<b>355</b>	<b>282</b>

This is a count of the number of voids re-let in each year where the void period was longer than 3 months, and the average number of days the properties in that year were void – please note in 2014 and just into 2015 and in 2018 and 2019 there were major redevelopments at Roman Courts and Ditchburn Place that skewed the data.
