

1. A full list of vehicles owned or leased by the local authority:**For each vehicle please include the following:****• The make and model of vehicle**

Please see attached list

• If the vehicle is owned or leased

All vehicles are owned

• Which team or department the vehicle is primarily used by

Please see attached list

• Which location the vehicle is primarily based at

Please see attached list.

• When the procurement contract for this vehicle is set to expire or be renewed.

Vehicles upon purchase are depreciated for a set period of time, 7 years for a HGV and 6 years for an LCV (light commercial vehicle). At the end of this period the vehicle is assessed to see if it requires replacement or can continue in use for a further period of time. In most cases vehicle life is extended whenever possible. All vehicles are procured/purchased using specialist procurement bodies, such as ESPO (Eastern Shires Purchasing Organisation), The TPPL (Procurement Partnership Limited) or CCS (Crown Commercial Services). By using these bodies the Council ensure compliance with EU procurement legislation.

• The date when the next cycle of vehicle procurement will begin or if this is an ongoing process.

Please see attached list

2. Refuse and recycling services:**• Does your local authority have responsibility for delivering recycling and refuse services (e.g. bins)?**

Yes

• If so, is that service delivered in-house by the council or outsourced to a contractor/contractors?

This is delivered by a shared service. The Greater Cambridge Shared Waste Service is a strategic partnership between Cambridge City and South Cambridgeshire District Council.

• If outsourced, please provide the name of the contractor or contractors delivering the service.

n/a

• When the procurement contract for this service is set to expire or be renewed and whether there are any break clauses or dates within the contract.

n/a

3. Road maintenance and street lighting:**• Does your local authority have responsibility for delivering road maintenance services and street lighting services?****• If so, is that service delivered in-house by the council or outsourced to a contractor/contractors?****• If outsourced, please provide the name of the contractor or contractors delivering the service.****• When the procurement contract for this service is set to expire or be**

renewed and whether there are any break clauses or dates within the contract.

We ascertain the Council does not hold this information Roads, pavements all come under the County Council and all the information about assets can be found here: <https://my.cambridgeshire.gov.uk/mycambridgeshire.aspx> under My Maps, Public Sector Assets.

4. Leisure centre services:

• Does your local authority have responsibility for delivering leisure centre services?

Yes

• If so, is that service delivered in-house by the council or outsourced to a contractor/contractors?

The council has outsourced the delivery of its leisure centres to Greenwich Leisure Ltd (GLL)

• If outsourced, please provide the name of the contractor or contractors delivering the service.

See above

• When the procurement contract for this service is set to expire or be renewed and whether there are any break clauses or dates within the contract.

The council agreed an extension of its contract with GLL until September 2023 ([record of decision of Community Services Scrutiny Committee](#))
