

COMMUNITY SAFETY TEAM: COMMUNICATION STRATEGY 2020-21

The Community Safety Team has close links with City Homes, Registered Social Landlords, public service agencies (such as the police and the fire & rescue service) and local businesses, and, where appropriate, attends or participates at the various events and activities that they host. Some of these events and activities are highlighted in the [Events and activities in your community](#) page on the City Council website.

Specific events and activities are set out below, with hyperlinks to further details, as appropriate. This document will be updated regularly as and when these are planned. Please also check the City Council's social media outlets at facebook.com/camcitco and twitter.com/camcitco for further information.
