### **(CCC) Car Parking Charges**

Car Parking Charges Please can I be provided with the annual revenue for the Riverside Car Park in Cambridge. The last 3 years would be helpful.

I hope the following will answer your query:

The usage and income figures for each year relating to all car parks is provided on our web site.

<https://www.cambridge.gov.uk/open-data-transparency-in-local-government>

The car park income data online covers five full years up to the 31st March 2019. The year up to 31st March 2020 is still being collated and so is not yet ready to be published but I have attached spreadsheet with the addition of the income for the Riverside car park for the last financial year. Please note that this latest figure has not yet been finalised and is therefore subject to change. The website will be updated when the Council's accounts have been approved.

We aim to provide a high quality service to you and hope that you are satisfied with this response. If you have any further questions please do not hesitate to contact us.

Further queries on this matter should be directed to [foi@cambridge.gov.uk](mailto:foi@cambridge.gov.uk)
