(CCC) Small Business Grants

I am researching the extent and impact of grant payments made to small businesses affected by the coronavirus outbreak.

- The name and address of each business that has received funds from Cambridge City Council under both the Small Business Grants Fund and the Retail, Hospitality and Leisure Business Grants Fund
- The amount paid to each of those businesses from those two funds
- The date on which payments were made

Response:

Business Rates information such as lists of companies liable for business rates is available on our website at <https://www.cambridge.gov.uk/open-data-transparency-in-local-government>.

This includes details such as: name of ratepayer, address, rateable value, date of liability, annual charge and any relief payments. You can search the dataset for specific properties.

This dataset is updated quarterly **and include eligibility for Business Rate Reliefs and rateable values from which you can derive entitlement to a Business Grant.**
