(CCC) Traveller Pitch Funding

I am writing from Cambridge News to request information relating to the Traveller Pitch Funding awarded to Cambridge City Council in 2012 for £500,000 to build 10 new or additional Traveller pitches. I would like to know what that money was used for and any resulting pitch that was created because of these funds.

Response:

The £500,000 Affordable Homes Programme Traveller Pitch Funding grant to Cambridge City Council was transferred to South Cambridgeshire District Council, with approval from the Homes and Communities Agency. We do not hold information on how it was subsequently spent.

South Cambridgeshire District Council can be contacted at foi@scambs.gov.uk
