(CCC) development of a 'Protected open space' area in East Chesterton

I would like information pertaining to the possible development of a 'Protected open space' area in East Chesterton known as Five Trees (UPRN 010002569256) located between Cheney Way, Lents Way, Cam Causeway and Fen Road. Have there been discussions about developing this land, and what is the outcome/current status? Are there plans to build on this land?

Response:

We find that there is no information held regarding this piece of land and we have no current knowledge of any plans to build on this land, therefore regulation 12(4)(a) applies to your request in that no information is held at the time of your request.

Should any planning applications be received they will be available on the public facing planning portal that you are able to view and search here:
