Response sent

10 Sept 2020

(CCC) Noise Pollution

The number of cases handled by your noise pollution department which relate to cockerels over the past two years

The number of cockerels involved in each case

If possible, an indication of the number of crows per day in each case the outcome of each case and in how many cases a noise abatement notice was served.

Response:

See attached.

Further queries on this matter should be directed to foi@cambridge.gov.uk

Year	Number of Cockerel cases	Number of crows	Number of Cockerel
2018 - 2019	6	No information	No information except one case indicates the possibility of one cockerel
2019 – 2020	4	No information	No information except one case indicates the possibility of one cockerel
