(CCC) Personal Injury

Would you be able to provide the following information:
Number of personal injury claims made against the council in
December 2019 and also in November 2019?

Response:

I'm not sure if you are after the information for claims occurring during that period or claims reported during that period, so I will give both based on the information from our claims management system:

Personal injury claims occurring:

November 2019 – 3

December 2019 – 1

Personal injury claims reported:

November 2019 – 1

December 2019 – 2
