(CCC) Request for UPRN and BA references for business premises

In accordance with the Freedom of Information Act 2000, please would you provide me with a dataset comprising the UPRN (Unique Property Reference Number) and the BA Reference (Billing Authority Property Reference Code)* relating to all business premises which are currently identified in your local authority's area for rating purposes. As I understand the UPRN is a key component of your Local Land and Property Gazetteer.

I do not want any further information, just a dataset (contained within an Excel spreadsheet, or as a comma separated text file) comprising these two references.

Response:

The NNDR Accounts dataset on <https://www.cambridge.gov.uk/open-data-transparency-in-local-government>

provides all the information needed for this request.

The City Council uses the Valuation Office reference code for the property only.

This data and the UPRN are in fields E & F of the dataset which is available in csv format.

Further queries on this matter should be directed to foi@cambridge.gov.uk
