Business Rates information such as lists of companies liable for business rates is available on our website at <https://www.cambridge.gov.uk/open-data-transparency-in-local-government>.

This includes details such as: name of ratepayer, address, rateable value, date of liability, annual charge and any relief payments. You can search the dataset for specific properties.

This dataset is updated quarterly and include eligibility for Business Rate Reliefs and rateable values from which you can derive entitlement to a Business Grant.
