(CCC) Noise and Nuisance

I wanted to request freedom of information regarding a number of neighbours complaints during Christmas for the past 5 years.

In more detail, I would like to request the number of people that have complained to you about their neighbours in December between 2014 and 2019.

If possible, I'd like to know the details of the complaints such as loud music, argument or smell/smoke (cooking) or any other reasons that you record.

Response:
