(CCC) City Homes

I would like to know if Cambridge City Homes are acting within the four corners of the law in terms of the Homes (Fitness for Human Habitation) Act 2018?

Response:

Thank you for your request for information above, which we have dealt with under the terms of the Freedom of Information Act 2000.

I hope the following will answer your query:

As far as we are aware Cambridge City Council is acting within the law in relation to the Homes (Fitness for Human Habitation Act) 2018. We hold no records of any cases or claims. We carry out HHSRS surveys of our properties and have a programme of work in place to address risks identified.
