(CCC) Zoo Licence

Please provide the details of all the zoo licences granted in the last three years. For each licence, provide the name of the company or individual that holds the licence, the number and species of animals they have licences for, the length of the licence, the number of inspections, the most recent inspection report and the addresses of each zoo. Do not hesitate to get in contact with me if you have any questions or clarifications about my request.

Response:

Cambridge City Council has no zoo premises within its district and has not issued any zoo licences within the last three years.
