### **(CCC) Pubs**

I would like to find out the number of pubs that have closed in Cambridge between 1st March 2020 and 31st January 2021.

I would like this information to be broken down by calendar month. For each month, I would like to be provided with the following information:

- The number of pubs that have closed in Cambridge
- The number of pubs that have been brought in in Cambridge
- The number of pubs that have been sold in in Cambridge
- The number of applications made to transfer a license from one holder to another in Cambridge
- The number of licenses that have surrendered in Cambridge
- The number of licenses that have lapsed in Cambridge

### **Response:**

We do not have the information available in regards to the number of Pubs in Cambridge from 1st March 2020 to 31st January 2021 that have closed, been bought or that have been sold.

In regards to transfers of premises licences for Pubs in Cambridge, 1 took place in April 2020, 2 in July 2020, 2 in September 2020, 2 in October 2020 and 1 in December 2020. For the other months, no transfer of premises licences were received for Pubs in Cambridge.

No premises licences for pubs in Cambridge were surrendered between 1st March 2020 and 31st January 2021.

Only one premises licence for a pub in Cambridge lapsed between this time period and this happened in December 2020.
