(CCC) Self-build Housing

I would be grateful if you would kindly send to me:

1 A copy of both parts of your self-build register containing all information about requirements of applicants except names and addresses.

2 Whether you would accept provision of self-build plots for local people as sufficient reason to grant permission for rural exception sites.

3 To what extent you would you accept qualifying s-b plots as satisfying your 40% affordable requirement.

Response:

1. attached

2, 3. The Council's adopted Local Plan 2018 makes no reference to self build as falling within the definition of affordable housing. The self-build register and provision of self-build plots could be a material consideration in the determination of a planning application."

Further queries on this matter should be directed to foi@cambridge.gov.uk
